All In One Piece

The Class of 2003 is a tricky puzzle. Try to solve us if you can. The pieces are oddly shaped and unique, and we like it like that. Some pieces are blissful, independent islands; some pieces are hard to fit together; some just naturally fit in or attach to others. But just as we celebrate each interesting piece, each individual member of our class, we celebrate the whole as well. Four years after arriving here, our complete puzzle is complex, diverse, interesting, and the picture it forms is uniquely B.M.H.S. The Class of 2003 is hard to piece together, but beautiful when all the pieces are in place.

Opposite page top left: Susan and Amy Umana, one last name, but two unique individuals.

SOPHOMORE SEMI

On April 6, 2001, our class celebrated their Sophomore Semi Formal dance at the Millhouse restaurant in Dracut. Initially, the night started off a little bit tentative. However, after we got more familiar with our formal attire we settled into a more celebratory mood. Participants started taking pictures to remember the night. Soon the dance floor was crowded as the music filled the night air. We danced the night away totally enjoying this moment in time: the night that we'll remember fondly when reflecting back upon our years at B.M.H.S.

The Junior Prom for the class of 2003 took place in May of 2002 at the Sheraton Tara in Nashua, NH. Girls awoke early that Saturday morning to get their hair and nails done in time for pre-prom pictures with friends. At 6:00 PM, students started to arrive at the hotel, girls in their beautiful dresses and guys in their tuxedos. Couples lined up for professional pictures before sitting down for dinner. Professional group pictures were also taken throughout the night. The DJ was excellent, playing a variety of songs that everyone enjoyed dancing to. Plastic hats and glow sticks given out were a big hit on the dance floor. Crowds were often formed to watch and cheer on students who were break dancing. At 12 o'clock, the DJ ended the night by playing Selena's "Dreaming of You", the class song for Junior Prom 2003. Picture frames were given out to the students as a remembrance of a terrific night.

Spirit Week

To the Senior class, the month of November brought not only visions of turkey and pumpkin pie, but also thoughts of school pride and giving to the Billerica Food Pantry. From November 20-26, BMHS held its fifteenth annual Spirit Week. The student body went all out as everyone participated in Patriotic Day," "Crazy Mix-Match Day," "Beach/ Snow Day," " Pajama Day," and "Class Color Day." The combined efforts of the four classes during the Penny War raised $5,300 for the Food Pantry.

Senior participation in the Spirit Week events was high, and it was looking good for the Seniors. However, what we forgot about was the effect tardies would have on the final tally. At the Pep Rally, Mr. Reis announced the Seniors had won the most competitive event of Spirit Week- The Penny War. The Seniors thought they had the title in hand, but due to the excessive tardies, the Seniors celebration was cut short, and we ended up in second place. Either way you look at it, 2003 is the class to be. SENIORS RULE!

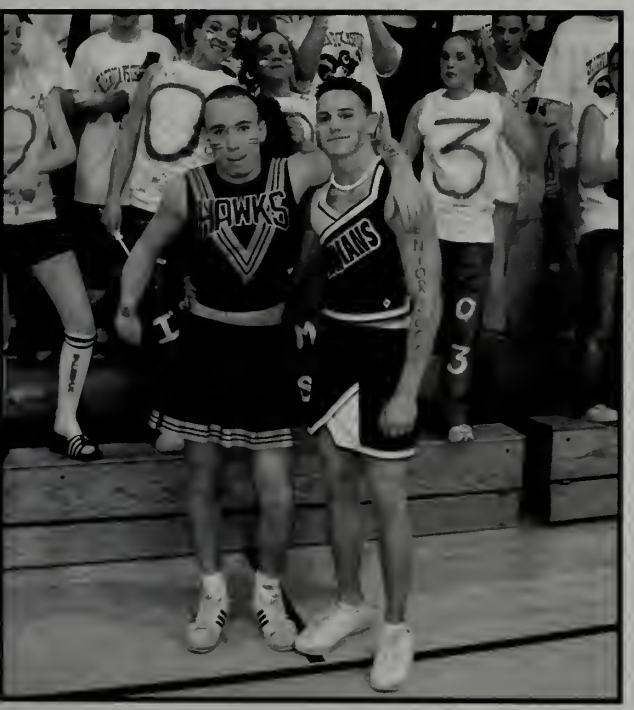
Pep Rally

The fall tradition of a competitive spirit week culminated with an exciting and unifying Fall Sports rally. The band helped to set the mood by performing Boola Boola and other crowd-motivating tunes. The cheers of all the students from each class permeated the gymnasium with school spirit and enthusiasm. Ms. Volpe served as the MC for the first time this year and did a fantastic job.

To celebrate and acknowledge team and individual achievements, each team captain spoke of past glories and future goals. The football captains- Steve Capozzi, Joe Venezia, and Kevin Graham- pumped up the student body with a unifying mantra: Beat Chelmsford. Coach Flynn added to the excitement by getting the classes to perform the "Billerica Chop." Seniors can be particularly proud of winning the annual Penny War event. By the rally's end the student body was full of friendship, unity and Billerica Pride.



Above: Boys will be girls.

This year the traditional rivalry Thanksgiving Day game was held at our archenemy Chelmsford; after a week of building class spirit and Billerica pride, our team entered the Lion's Liar pumped-up and ready to take them on their turf. Even though Chelmsford had a better record entering the game, our team was very well prepared to do battle. On that very cold day in November, Billerica ended up losing 24-6. Regardless of the score, our team fought the battle well and played a hard fought game. This time Chelmsford came out on top. However, Chelmsford may have won this battle but the battle continues. We'll be back next year.

Bottom right: Steve Capozzi tries to outmaneuver a Chelmsford opponent.

Student Life

When we begin life, we are given a puzzle- each one is different, yet special. As we continue through our lives, we meet people and have some type of effect upon their lives, as they do in ours. We share with them a piece of our puzzle and they share a piece of theirs with us in return. No matter what type of impact they had upon our life, we still carry along with us a piece of their puzzle because they have shaped us into what we are today. This is called the puzzle of life: each puzzle growing and changing throughout our lives, but always becoming better and always having the same elemental pieces. Friends are like a puzzle: if one goes away, that special piece can never be replaced and the puzzle will never be whole again. So right now, let's be glad we're the class of 2003: all in one piece.

Dear Graduates, Class of 2003:

Once again, I want to wish you all the best as you move beyond your graduation from high school. This is a time to take stock of where you have been, and contemplate where you will soon be going. Your past challenges and successes have begun to guide you into understanding who you are, and toward what you might be capable.

You may actively pursue those life experiences that bring purpose and that are meaningful to you. For having a sense of purpose is the key to your moral and intellectual growth. Every experience, to some degree, changes who we are, and has an impact on the quality of our future experiences. Your job will be to give those experiences their proper sense of direction. This means finding purpose and shaping your experiences toward specific goals.

My hope and expectation is that you will continue to develop your abilities alongside an evolving sense of purpose, and that you will channel the directions that you go in, and forsee possible consequences of your actions. And, as you seek to understand life's circumstances, I hope that you will be confident making decisions that can best be made by the balance between both your head and your heart. If you can do this, then you are ready for the wonderful things to come.

Congratulations and best wishes,

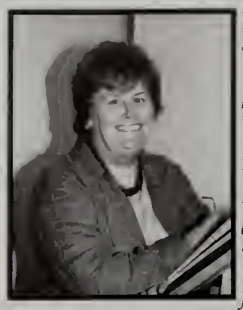
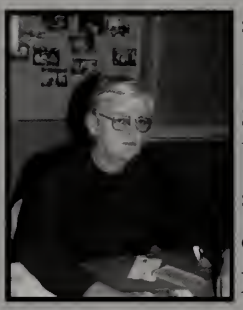
An Interview with Ms. Breen



The Warrior: *How long have you been at BMHS?* **Ms. Breen:** *Since September 1966.* **The Warrior:** *What are your future plans?* **Ms. Breen:** *Exploration!* **The Warrior:** *What's been your favorite memory here?* **Ms. Breen:** *Laughter with friends and being awarded "Most Influential Teacher."* **The Warrior:** *What was your favorite thing about teaching?* **Ms. Breen:** *Running my own ship and being a partner in student success.* **The Warrior:** *What will you miss most about BMHS?* **Ms. Breen:** *My colleagues, the Cadre!* **The Warrior:** *What did you get out of your career as a teacher?* **Ms. Breen:** *The knowledge that kids will be successful when they are ready, and that grades are inaccurate measures of success.* **The Warrior:** *What advice would you give to the graduating class?* **Ms. Breen:** *Carpe diem and give something back; it's your legacy.* **The Warrior:** *What advice would you give a new teacher?* **Ms. Breen:** *Work hard; enjoy your students. There will be low moments in your career, but these moments will pass. Savor the moment because your career in education will be over before you know it.*

Bon Voyage, Mr. Byrne



Before he arrived at BMHS in the early seventies, Mr. Byrne sailed the seas as a merchant marine graduate of Mass Maritime. When he hit land again, he found safe harbor in the science department of our school and never looked back. Using the same humor and good will that won over dock workers and harbor masters alike, Mr. Byrne brought experience, patience consistency, and integrity to work with him everyday. Even a starchy chemistry class was made warm and welcoming by his low-key style. Mr. Byrne met life and his students with humor and obvious affection. We wish him blue skies, lots of baseball, and a lively retirement.

An Interview with Ms. Chamberlain

The Warrior: *So, Ms. Chamberlain, how long have you been teaching?* **Ms. Chamberlain:** *I've been a guidance counselor for the past 29 years at BMHS. Before coming here, I taught social studies for four years at another high school in Massachusetts.* **The Warrior:** *What's next?* **Ms. Chamberlain:** *I have no definite plans, but I am going to take off 6 months and do all the activities that I haven't had time to do. This includes spending more time with family and friends, and attacking that tall stack of books I haven't had time to read.* **The Warrior:** *What are your favorite things about working at BMHS?* **Ms. Chamberlain:** *I have always enjoyed seeing a student who was having difficulty in school or in their personal life overcome that difficulty and blossom both as a student and person.* **The Warrior:** *What will you miss about BMHS?* **Ms. Chamberlain:** *I will miss the people here, and I mean the faulty, staff, and students.* **The Warrior:** *Advice for graduating seniors?* **Ms. Chamberlain:** *Remember that there is no obstacle too great to overcome. Believe in yourself and follow your dreams and goals.* **The Warrior:** *Any advice for new teachers?* **Ms. Chamberlain:** *If you truly enjoy teaching then you will be successful and fulfilled. Be true and honest with yourself and your students.*

Ms. Cardia, Can You Come Here?

For many years Ms. Cardia has been lured away from her family and beloved Yorkies to help BMHS students meet the challenges of their classes. In classrooms and in the Learning Center, Ms. Cardia has been there to cajole, push, prod, explain, and encourage students when academic difficulties arose. Whether volunteering for student fishing expeditions or cooking up a storm at holiday classroom celebrations or breakfasts, Ms. Cardia fed the emotional needs of her students, too, establishing a great rapport with them. This kind, buoyant, light-hearted spirit will be missed.

An Interview with Mr. DiMare

The Warrior: *How long have you been teaching?* **Mr. DiMare:** *For 35 years.* **The Warrior:** *What are your future plans?* **Mr. DiMare:** *I plan on resting, but maybe I will come back to visit BMHS and see all the new classes.* **The Warrior:** *What's your favorite memory here?* **Mr. DiMare:** *All of my past students that still take the time to keep in touch. I find it unbelievable that Billerica has a student body that has such feeling for its school and faculty.* **The Warrior:** *What advice would you give to the graduating class?* **Mr. DiMare:** *Stay focused. You will be in school the rest of you life, only the classroom changes.* **The Warrior:** *What was your favorite thing about teaching?* **Mr. DiMare:** *Every day was different. No matter how organized I tried to be, I would have to leave time for the students to interact.* **The Warrior:** *What will you miss most about BMHS?* **Mr. DiMare:** *RESPECT. The students and faculty are "family" and their interaction proves it.* **The Warrior:** *What did you get out of your career as a teacher?* **Mr. DiMare:** *I feel honored that I was able to give and receive respect from an entire generation. That in itself allows me to walk away proud of my career.*

Could You Spell That, Mr. Gorczyca?

After leaving the military, Mr. Gorczyca joined the high school science department where he's been introducing students to flora and fauna for thirty years. In the 1980s, this botany major introduced a new botany curriculum for sophomores. After dealing with freshmen fo so many years, Mr. Gorczyca is well-prepared fo spending a lot of time with his newborn grandchild If he's not totally exhausted by that, he and hi college-professor wife are looking forward t traveling. Ms. Hood: Half a Century in Education

Ms. Hood, legendary Athletic Director of BMHS, left the high school this summer concluding fifty years of service to the Billerica school system. Starting as a physical education teacher, Ms. Hood coached several BMHS teams over the years and wound up as one of the first women high school ADs in the Merrimack Valley. From her messy-excuse us, busy-office, she coordinated the sport lives of hundreds of young Billerica athletes. She will be remembered as a pioneer for women's sports in the area and a great proponent of Title IX initiatives at all levels.

Thanks, Ms. Phillips

Ms. Phillips began as a physical education teacher, but soon found that her candid, collaborative teaching style was well-suited to the health classroom where she developed new curricula. Ms. Phillips lent her thoughtful attention to several committees, including the Faculty Senate, the School Philosophy committee, and the Health Advisory committee. When she made the transition to assistant principal, Ms. Phillips took on the task of shepherding the Class of 2003 through BMHS. That nearly all of us made it is a tribute to the care and energy she gave to her work here. Ms. Phillips found new challenges when she developed courses for teachers in differentiated instruction and character education. Ms. Phillips looks forward to a mixture of relaxation and teaching teachers at the Merrimack Educational Collaborative.

Have a Happy Life, Mr. Staveley!

Call him weird, wild and wacky, but call him and he'll come to serve as SPAC-Man or school council member, or as whatever BMHS needs him to be. Don't forget to call him smart, vivacious, dedicated, and innovative, too. Looking like an extra from a Gilbert and Sullivan musical, Mr. Staveley was an irrepressible and irresistible presence at BMHS for over thirty years until his departure last January. This formidable man, with his outrageous mustache and Mr. Rogers sweaters, made history come alive for his students and developed his own student-centered syllabus that served his classes well. Thanks for giving us happy days.

Who is Roger Waugh and what's it to you? Few students at BMHS could identify him in a line up, but it's fair to say that as Head of Guidance he's touched the life of every student who has ever walked in the door of our school. Have you ever had a class schedule? Thank Roger Waugh. Have you passed the dreaded MCAS tests? Yup, Mr. Waugh again. Have you taken an SAT or needed a transcript sent? Mr. Waugh was there. Or perhaps he bailed you out the year you went to night school where he was in charge for several years. This sharp, funny, natty, multitalented man has shaped much of what has happened to you in your high school years. His job was to get the best for students and then get them out of here. FALL SPORTS

Making the Pieces Fit

Come September the Indians are ready to go. We've been running on beaches, playing volleyball in the sand, diving off the rocks, putting on the greens of Cape Cod, and running out to catch long ones in casual games of touch football played on green summer lawns. But beneath this facade of friendly fun, the Indians have stealthily prepared for autumn contests with Merrimack Valley opponents. It's fall now, and we run, spike, swim, tackle, and swing in earnest. Don't just do it. Do it for Indian pride.

Boys Soccer

After a frustrating 3-4-2 start of the 2002 season, the BMHS boys' soccer team bounced back going 8-1-1 in their last ten games of the regular season. The team ended their run with a 4-1 victory over Methuen to win the MVC Small School Championship. They entered the Division I State Tournament with an overall record of 10-5-3 and a league record of 8-3-2. Billerica was seeded 10th and knocked off 7th seeded Everett 2-1 in the first round. They had a strong showing but came up short, losing 1-0 in the quarterfinal against the 2nd seeded Beverly. Captains Chris Blesso, Mike Ferguson, and Tim Conway, all three-year starters for the varsity, led the 2002 team. Junior goalkeeper Andrew Deprey also played strong all season in net for the Indians. Players selected to the MVC All-Conference team were juniors Tim Conway and Kevin Baker and those for the MVC All-Star team were senior captain Mike Ferguson and junior Jimmy Geary.

Getting Our Kicks

Girls Soccer

The 2002 season was a tough one for the girls' varsity soccer team. The team was young and the competition was fierce. With a team of only fifteen players, the girls really had to work hard and play together as a team. They played some great games this season but unfortunately with a record of 6-9-3, the team missed qualifying for the state tournament by one win. Senior captains, Erica Knowles and Jaime Schepici, the only two seniors to stay with the team throughout the season, were strong leaders and helped to bring the girls together despite losses of players from the team and an extremely difficult season.

Girls Volleyball

The 2002 Girls' Volleyball team made history this year. They had a record of 16-2 and they were Division I MVC champions. They made history when they won the North Sectional Championship and went on the the MIAA State Finals. Unfortunately, the were not victorious. Their season was one of, if not the best, season in BMHS volleyball past. Senior Captains Meaghan Lee and Kimberly Price did a great job both defensively and offensively. Erin Mosely had an awesome season with many unreturnable hits and great blockage of the net. Erin Kelly also had a great season with blocking and hitting. Leanne Albrecht, Jackie Knight, and Katie Mara played awesome backrow defense for the team. Anastasia Mills and Erica Kelley controlled the offense with great sets and tips. Courtney Locke, Christina Doherty, and Meaghan Sawyer contributed greatly to the team with strong hits and well placed passes. This team worked hard to get where they did and should be proud of their accomplishments.

Driving Away the Competition

Golf

This year the Golf team had a dissappointing finish to a good season. The team completed the season with a record of 7-8-1, missing the state tournament by one win. Overall, the team had a good season. Most of the veterans from previous season continued to perform well and the new members to the team stepped up and contributed greatly to the season. Senior captain, James Regis, seniors Mike McCormick and Tom Butcher tried to keep the team focused on winning. Seniors James Regis, Mike McCormick, Tom Butcher, and Freshman Brad DePiero led the team this season. Senior Tom Smulligan, juniors Ryan McGonagle and Tim Goldsmith, sophomores Dan Rubner, John Shaw, Rob Jones, and freshman Ryan Flodin all contributed in the matches this season. This season was a good one and everyone worked hard.

Getting in the Mood

Fall Cheering

This past football season, the Billerica Memorial High School cheerleaders put in a lot of effort. At the MVCs, the team placed second and qualified for regionals. Although to team fell short and did not make it to states the season overall was good one. To us, it was more than winning because as a team we were all very close and always had fun when together. Practices may have been a lot of hard work but we always managed to enjoy them and to have fun. Our coach, Megan Flynn, played a large role in our success. She worked very hard to help us accomplish our goals. This season, our hard work and dedication paid off. Seniors include Shanell Frongillo, Meaghan Holland, Jessica Camplese, Christine Kelly, Christy Osborne, Kristin Viveiros, Jamie Murnane, Katie Herbert, Amy Sparkes, and Captain Andrea Vozzella.

MVC Contenders

Football

The 2002 BMHS Football season was a great one despite the final record. The season was filled with many high points, specifically, the thrilling 27-22 victory over Central Catholic. The 2002 BMHS team would not have been able to be the success that it was without the hard work and determination of its seniors. Senior captains Kevin Graham, Steve Capozzi, and Joe Venezia led the 2002 team. Kevin Graham was crucial in the Indians offense as he ended his career at BMHS with 38 touchdown passes. Steve Capozzi and Joe Venezia were both anchors on the offense and defense, as they made up the linebacking core. Seniors Joe Knight and Paul Capone made their offensive threat for the Indians in 2002. Seniors Keith Yianacopolus at safety and Chris Severo at defensive end also led the defense.

Without the work of these seniors the 2002 campaign would have proven extremely difficult. The 2002 season saw other thrilling victories over Methuen, Dracut, Beverly and cross-town rival Burlington. With the departure of the 2002 seniors the members of the 2003 BMHS Football team are hopefull to continue in their footsteps to a successful season in 2003.

Marching Band and Silver Jade Color Guard

The band and color guard had a very successful fall season, bringing home first place at every competition. The band takes part in the Musical Arts Conference (MAC) in Connecticut where they compete in Class 2. Under the leadership of their field conductor, Christine Young, the band competed first in Trumbull, Connecticut. Next, Billerica put on their own Home Show. The rain forced the show into the gym, but all went smoothly and the band scored well, nevertheless. Next the band traveled to Shelton, CT and then to Nutley, New Jersey competing in a new circuit, USSBA, and again placed first. The band then traveled to Danbury, Norwalk, and then Bridgeport, Connecticut for finals. There they received a score of 94 to win the MAC Division 2 Championship for the second year in a row.

The senior members of this year's band are: Mike Agostinelli, Jamie Bradley, Danielle Burstein, Melissa Chrisemer, Karissa Drumm, Cassandra Dutile, Katie Feeley, Kim Ferro, Keith Gentile, Heather Johansen, Jessica Lund, Erin McGonagle, Patrick Russell, Chris Santoro, Joey Vines, and Christine Young. Boys Cross Country

The 2002 Boys' Cross Country team had another successful season. They won the Merrimack Valley Conference Division II title for the third straight year. Led by captains Steve Murray and Christian Tirella, the boys finished the season with a 5-4 overall record, with a 4-0 record in Division II. The MVC Division II title was captured thanks in part to performances by John Martell, Dave Spivey, John-Paul O'Brien, Jason MacNamara, and Christian Tirella. The top 5 runners also managed to become MVC Division II All-Stars, with Martell being the number one MVC All-Star in Division II. Other runners who contributed to the season include Steve Murray, Michael Moore, David Snook, Tony O'Brien, Matt Knowles, Joe Cotreau, and Ryan Beaudet.

Girls Cross Country

The highlight of the girls' Cross Country season was their victory against Lawrence at the Homecoming meet at the Veterans course. We were extremely close as a team and pasta parties and Sal's Pizza trips were always fun.

Go for the Gold

Swimming and Diving

Stretching, running, SWIMMING! It seemed to be done naturally almost everyday for two months and it was all worth it in the end. Leanne - "Calfs!," "Caravans!," "Two Mile!" That kind of stuff takes patience and endurance, especially when it is eighty degrees outside. But enduring all that preparation made it possible for the Indian Swim team to win its third MVC title. The seniors Leanne, Lindsay, Bethany, Sara, Ashley, Katie, Amanda, Laura, Liz, Nicole, Elise, Christine, and Rebecca all worked hard throughout the season. Congratualtions to Lindsay for beating all thoe records! The seniors came a long way in the past four years. The juniors, sophomores, and freshman all did a great job. The Divers - Beth, Athena, Lisa, Elise, and Jessica perfected their form. It could not have been done without the captains, Lindsay and Leanne. The coaches, Anthony and Donna, also played a huge part in the success of this season. We might have goofed off a pasta parties, but when it came time for meets everyone gave their all. This years season was full of victories including Central, Methuen, Lowell, Nashua, NDA, and Dracut. Our determenation and want to succeed proved itself in an incredibly successful

FALL SPORTS REVIEW

WINTER SPORTS

Putting It Together

Winter arrives and it's time for Billerica athletes to move indoors. There, for the glory of Billerica High and a high degree of personal satisfaction, Indian men and women will tumble and vault, shoot and score, pin opponents, build human pyramids, and pass batons in stuffy sweaty gyms and icy rinks. So, what if winter athletes go to school in the dark and come home in the dark. It's clear to see: "They got game."

All the Right Moves

Wrestling

The wrestling team found a way to improve its record this year after losing four seniors. The team was led by three senior captains Dan Fitzpatrick, Sean Delorge, and Paul Capone. There were two freshman, Jimmy Galvin and Carl Anderson, that stepped up to the plate and had a great season. The team competed in the Lowell Holiday and the Lowell duals, and had impressive matches in both tournaments. The team had three wrestlers go to the states, Dan Fitzpatrick, Paul Capone, and Carl Anderson. Jimmy Galvin would have attended had it not been for a injury that he received during sectionals. Dan Fitzpatrick had an incredible season going all the way to New England's. Hopefully the team can build on the past season and win a few more meets next year.

Hoop Dreams

Boys Basketball

The 2002-2003 Boys' Varsity Baskeball team had a tough season as they ended with a 2-16 record. Being one of the smallest teams in the Merrimack Valley Conference, Billerica players used their speed and agility to compete against their larger opponents. Senior captains Tom Ellis, Christian Tirella, Marc Calangelo, and Andy Gearin provided leadership for the team and continually worked hard against the larger teams in the league. Mark Mastrullo was moved up early in the season to fill the point guard vacancy when Tirella moved from guard to the foward position. Mastrullo stepped up, filling the role adequately, becoming more of a threat to opponents as the season wnet on. The team had two MVC All-Stars, senior Christian Tirella and junior John Martell.

Pyramids of Perfection

Winter Cheering

We had a very successful 2002-2003 winter cheering season. We came together as a team both on and off the mat helping us to win the MVC title at Leagues at Central Catholic. Moving on to regionals in Gloucester we put forth our best efforts but did not place to move on to states. We put in a lot of hard work and dedication during the season, going to gymnastics, practicing everyday after school, and cheering on the varsity basketball team at games. All of our hard work paid off. We could not have accomplished what we did without our coach Meghan Flynn and captain Andrea Vozzella. We have a lot of memories with the nights at Jaquie's, cheer curls, Becky the bus driver, and those pasta parties and early breakfasts. The seniors would like to thank the underclassmen for helping to make our last year one of the best. Keep it up girls and best of luck next year.

Girls Hockey

The BMHS girls hockey team had a great 2002-2003 season. This year was an remarkable improvement from last year. We finished the season with a record of 18-2, which allowed us to make our first appearance in the playoffs in only our second year of existence. Our only two losses were from Woburn who went on to win the state title. Winning the league was a great accomplishment but more importantly we won the league with the best record ever, 10-0, along with goaltender, Patty Pisini, recording a remarkable nine shutouts. There are six graduating seniors this year. The team was led by captains Christine Kelley, junior Jessica Wilson, and Jaime Schepici. Assistant captains were Jessica Camplese and junior Kerri Loranger. Other outstanding performances by seniors were completed by Liz Robichard, Patty Pisini, and Ashley Wyshak. The chemistry on the team was something that will always be remembered. The whole team played with heart and dedication. This year I am pround to say we "got our bike back."

Gymnastics

The past 4 years of BMHS gymnastics have been extremely memorable. Freshman year we were quite successful, but fell short of the MVC title despite having a great season. Sophmore year, however, was definitely the highlight of our careers. We tied for first place in our division and sent two gymnasts to the high school state championships. Junior year we lost a lot of key performers and had to restart the team. We did our best and were happy with the outcome even though the season was tough. This year we welcomed new athletes and a new coach to the team whose presence greatly contributed to the season. Thanks to all that have supported us throughout the years.

Billerica Pride

Girls Winter Track

Captains Jen McPhillips and Michele Davis, along with coaches Dan "Murphdogg" Murphy and Mr. Vigeant, led the track and field team this year. Although we had few participants and weren't always victorious, we had a lot of heart for the sport and each other. Even if we lost we felt we always came out on top as people improved and tried their hardest.

Class A state qualifiers were Michele Davis, Katie Banfield, and Emily Sullivan. Michele Davis placed 6th at the MVC Relays. The shotput team placed 6th and the javelin team placed 7th. Davis and Banfield competed in the Loucksgames in White Plains, NY placing 3rd and 6th respectively.

MVC All-Stars were Michele Davis, Michelle Lamar and Brett Maron. School Records were set by Emily Sullivan in the pole vault with a height of 7'6" and Michelle Davis in javelin with a throw of 115.5 1/2 feet.

Boys Baseball

The 2003 varsity baseball team carried 6 returning senior lettermen: captain, pitcher and outfielder, Kevin Graham; pitcher, and first baseman, Jim Wilson; pitcher and outfielder, Chris Blesso; and third baseman, Andy Gearin. The record for the regular season of play this year was 11-8. The baseball team won 4 straight games to qualify for the division 1 North state tournament. The first game of the tournament was an extra inning battle vs. Methuen (15 innings) that the seniors will never forget. It was played on the afternoon of Senior Prom night! The boys then went on to beat Lynn Classical but fell to Malden Catholic in the semifinal game of the tournament in 10 innings. None the less, the 2003 varsity baseball team enjoyed a great year under coach Jon Sidorovich.

Erin Moseley and Christina McWilliams were recognized as All-Stars, while Jess Wilson received player of the year. These individual players were only a highlight of the talent on the team. Although the Indians faced defeat, they stuck together with a positive out look, and worked harder each time. Leave Them in the Dust

Boys Spring Track

Although they had a difficult time competing with the rest of the Merrimack Valley Conference, the 2003 Boys' Varsity Track and Field team work to their full potential and gave it all they had. With a small squad, the team found it difficult to gain big points in order to defeat other teams, forcing many players to compete in more than one event. Nonetheless, the boys took this opportunity to compete and did a great job this year. Senior captains Christian Tirella, Ryan Hutchinson, and Dave Innis, paved the way for the rest of the underclassmen, while seniors Tim Speziale, Andy MacDonald, and Preston Purdy provided the mush-needed leadship to help complement the captains.

One of this year's highlights was when Christian Tirella broke Phil Leveque's 1997 400-meter record with a time of 49.73 seconds at the Loucks Games in White Plains, New York. At this event Christian brought home 4th place in the 400 meters while Dave Innis muscled his way to a 5th place finish in the shotput. The Tirella-Hutchinson combination broke 6'0" in the high jump previously against Methuen. The distance team of John Paul O'Brien, Jason MacNamara, Steve Murray, Mike Moore, and David Snook, also helped the team along. The strong feild squad of Dave Innis, Tim Speziale, Andy MacDonald, Nick Navin, and Tim Rodding were excellent in the shotput, discus, javelin, and pole vault events.

Girls Lacrosse

The Girls Varsity Lacrosse team had a lot of amazing talent on all ends of the field this year. Starting off the season was tough with the winter weather but adjusting was not a problem for our team. Captain Kristen Skelton led this year's varsity team. Followed by the four senior leaders, Mandy Cowen, Jenna Faiola, Lauren Murphy, and Ashley Martell. This season was one of the strongest years for the girls, Unity and Dedication were their main goals. Strongly contributing to the team on the offensive side of the field were juniors Ashley MacDonald and Shannon Burke. We hope to make the State tournament this year and finish the season with Billerica High's best Girls Varsity Lacrosse record.

Boys Tennis

The boys tennis team made great strides this season. the return of Coach "Sammy" Colangelo, after a ten-year absence, improved the team dramatically. The team appreciated his hard work, dedication, and inspiration during this rebuilding season. The team was led by co-captains Kevin Sheppard and Khemara Kang.

Kevin Sheppard was a solid first singles player. At second singles, Matt Knowles played diligently. Andrew "Top-Spin" Thompson and Rafael Rios shared the third singles spot and both played very well. We had strong doubles teams this year. The normal configuration of these teams were Khemara Kang and Matt Uglietta at first doubles and Chris Dobi and Greg "HBJ" Duane at second doubles. Our regard to Chris Anesse, Mike Croke, and James Vincent who played their best throughout the season and never gave up.

The team worked hard together and won key victories against Lawrence and Methuen. The returning players look foward to an improved next year under the guidance of Coach Colangelo. The senior Co-captains would like to thank all the players for a great effort this year and which them the best of luck in 2004.

Boys Volleyball

Billerica Boys Volleyball is a sport that not many people pay attention to. However, if people stopped and looked at the team's progression from year to year they would see that it was just like any sport, a group of people working towards one common goal. In the 2002-2003 season there was a huge improvement in the squad from the season before. This year the team has done the work that it takes to become competitive in the MVC. We have been in a lot of games and have felt the heartbreak of close losses but the team continues to work hard. The team hopes to finish out the season on a winning streak that will continue into the 2003-2004 season. In any given game any person on or off the court can be a leader, can pick the team up with a play that the squad needs in order to make a difference. Billerica Volleyball has been around for some time and has seen its ups and downs. This team will continue to work hard and we look foward to the competition and successes that will come with next season.

B.M.H.S. Theater Company Presents "The Odd Couple"

This year the BMHS Theater Company presented Neil Simon's "The Odd Couple." The play first appeared on Broadway in 1965 and became more popular when it appeared on television as a sitcom in the 1970's. "The Odd Couple" is based upon the lives of two men-Felix Unger and Oscar Madison. Both men have had troubled marriages, one is divorced, and the other estranged from his wife. The two men decide to move in together to save money. They soon realize that the same problems and conflicts they had experienced in their marriages, they are experiencing as "The Odd Couple". In the lead roles, Greg Bosnowski plays the part of fastidious Felix Unger, and Ryan Libby plays the part of the lovable slob Oscar Madison. The audience enjoyed many laughs as the domestic squabble played out before them.

SENIOR EVENTS

Making the Pieces Fit

Squeeze graduation practice next to class day, but don't forget that annoyingly essential piece called sign-out. The Senior Prom looks better than the other pieces: it's all sequined and slick. Graduation is that piece with the tear stains and tassels and it has one corner in another puzzle somewhere. The Blast keeps asking the other pieces if they're having a good time. You think you have all the time in the world to complete this puzzle, but this jig's almost up. Get the picture?

State Fair!

Rodgers and Hammerstein's State Fair was performed this year for the first time in B.M.H.S's musical history. The musical follows the adventures of the Frake family at the 1946 Iowa State Fair. Their trials and tribulations unfold amidst big band music, ring toss, bake-offs, hog contests, and the Temple of Wonder. This celebration of love and laughter in America's heartland was just the ticket for the starring seniors Alaina Fragoso, Joey Vines, Ashley Soroka, Ryan Libby, Jenn Reitano, Cody Mitchell, Heather Johansen, Mike Agostinelli, and Courtney Marshall.

Senior Prom

The Senior Prom for the class of 2003 was a great success. Set at the picturesque Danversport Yacht Club, prom-goers had the privilege of professional pictures outside at the waters edge in front of the gazebo. Prom night was spectacular, the food was wonderful and the DJ did an excellent job keeping the dance floor fully occupied. We danced and partied the night away. To the seniors in the room, this was the perfect evening, a night to remember for a lifetime. The Prom song *"I Could Not Ask for More"* was the perfect song for the evening, seniors truly couldn't ask for more.

CLASS DAY

Graduation rehearsal seemed endless that June morning as the senior class anxiously awaited their day of relaxation at Cedardale in Groveland. After throwing on the T-shirt and grabbing the sunscreen, the class of 2003 arrived at Class Day. The activities ranged from volleyball, basketball, badminton to mini-golf. The pool and even the kiddie fountains cooled us from the sun and finally the relaxing Jacuzzi topped it off. This day was a reward for all the hard work the past twelve years had thrown at us and what an awesome day it was!

Graduation

Anticipation and sadness filled the Tsongas Arena as the soon-to-be graduated seniors gathered on June 4th, 2003. The reality of the end of high school began to set in as we scrambled into our spots in line and memories filled the cramped hallway. Then, the time had come to proceed into the arena where applause and excitement filled the air. Memories of the past and expectations for the future were brought up in the class president's, valedictorian's, and salutatorian's speeches. We were assured that though we will miss what the past four years had brought us, the next stage in our life would be our time to shine. As class president Sabrina Folland lead us in the turning of the tassels, members of the class of 2003 tossed their caps in the air. They realized that though their time at BMHS could not last forever, the memories made there could.

Above: Sarah Hentz makes last minute adjustments.

Left: A sea of green and white.

"Today is our day to shine. Look around you, these peers have been your lifelines. Whether for eighteen years or for only a few months, these are your classmates, your friends, and many times your only reason to go to school in the first place. Today is the final day the class of 2003 will all be together; yet we will forever be united by the shared experience of these past four years."

Jaclyn Fitzgerald
"Valedictorian"

"As a final message, I'll be watching for you. I have pride in m school, and I wish you the best of luck wherever you go. Every tim I hear someone's name in the future that I know, I'll be sure t mention that I know him or her. Try hard, and do wel Congratulations on what you have already accomplished, and wha you will bring to this world in the future."

Salutatorian

"It is our responsibility, from this day forward, to be the generation that changed the world. We have the power to rid our world of hatred, violence, prejudice and intolerance. As a class, we have always treated each other with dignity and respect. After today, we must carry that dignity and respect with us wherever we go."

We Had A Blast

As we received our diplomas, our minds drifted towards the blast, our last night together as a class, as a family. At 11 o'clock, we were rearing to go, we crowded towards the doors, waiting in line. We took pictures together, and played trivia games. As the evening went on, we filled our stomachs with the free food that came every hour. From Sundae's to Chinese, we ate as much as we could. We had caricatures done with our friends and made silly jewelry. The inflatable games were the best! Whether it was Jousting, Sumo wrestling or the obstacle course, we enjoyed the night. At 4:00 we went into the main gym to witness the raffle, prizes were given out ranging from a music box to a computer. We left at 5:00 happy to have that final time together, but most importantly, knowing we had a blast.

All Our Love

Dearest Jennifer,

The years flew by just far too fast
No matter how hard we wanted them to last

Yesterday you were a beautiful baby
Today you are a lovely young lady

We could burst with pride in all that you do
We are so blessed that God made you

You worked real hard all through school
Even at times when that wasn't cool

From grade school to high school you did your best
You were always prepared to master those tests

We have some advice that has meaning for you
Ideals to carry with you in all that you do

"It's okay to draw outside the lines
And coloring blue people is really just fine."

"Just as it's been right from the start
Learn with your mind and listen to your heart"

Follow your dreams wherever they take you
Believe it will happen and it can be true

Through life's journey you've begun to sail
Be true to yourself and you'll never fail

We'll always support you in all that you do
With our heart and soul we'll always love you

We wish you so many congratulations
At this wonderful time of your graduation

With love and our best wishes for you,

Mom, Dad, Heather, Nathan, Nana & Grandpa,
Grammy & Grandpa, Sandra & Joe, Marc
and the rest of the crew
